## What do I get in a race pack?

Your race pack will include

- your race number
- your reusable **timing tag** (to be attached to your shoe)
- **safety pins** for attaching your race number
- **instructions** for attaching your timing tag
- plastic coated **wire ties** for attaching your timing tag to your shoe

Wear your race number on the front of your running vest or shirt. Do not give your number to anyone else. Write your contact details on the back of your number in case of emergency.

Attach your **timing tag** securely to your shoe. **NO TAG, NO TIME!** You **must** return your timing tag at the end of the race (marshals will be there to collect them). If you do not return your timing tag you will be liable for the cost of its replacement.

## Where's the drinks station, and what can I get there?

The feed station, run by volunteers from St. Bede's School is located on Norfolk Gardens at the back of City Hall. Here you can rehydrate with water and if you're lucky get an energy shot with some Jelly Babies. Runners will pass the drinks station once *per* lap (at around 2.5k into the lap).

## Can I wear headphones?

We'd encourage you not to; it really is better to hear your fellow runners, listen to your breathing, take in the atmosphere. But if you feel you just can't run without them, headphones may be worn as long as you take responsibility for the volume to be low enough for you to hear all marshal instructions and the words of those around you. The race is run on closed roads, but that doesn't mean that emergency vehicles or access vehicles won't be present.

## What mementoes will there be?

As some people like medals and some people like t-shirts, we decided to give you both: a high quality, unique technical t-shirt AND a race day medal!

## What prizes will there be?

There are prizes in all main categories, medals for all Kids Race finishers and Medals & T-Shirts for Adult Race finishers. Prize giving will take place on the stage in City Park (see schedule above).

### **Where will I be able to see the results?**

The results will be published at <https://racebest.com/results> as soon as possible after the race.

### **Where is the best place to spectate?**

There are a number of good locations along the course. There are climbs at Longside Lane near the University as well as in Little Germany. The streets in the City Centre are also good locations to spectate and the Hub in City Park is where the runners will finish. Here there will also be music, children's activities and catering units.

### **What activities will there be in City Park?**

There will be a range of play activities for children as well as games.

### **What can I do after the run?**

Bradford is a great place to relax, eat and drink. There is a host of independent bars and restaurants throughout the city so what better way to unwind and recap your run than with friends and family over a drink and a bite to eat.
